Director's Notes

Dear Runners and Walkers,

Congratulations to all of you who endured the "race from hell" 1990. The rain, wind, and cold made this Syttende Mai Run and Folket Marsj a truly memorable experience. For many of you, we're sure a finish line never looked sweeter. Special thanks are hereby extended to the faithful volunteers who manned their positions to make the day a success.

There still seems to be a mis-understanding on the policy of who receives a run or walk T-shirt. For those still confused, this will now be explained. A participant must cover the entire course and then must cross the finish line. Very simple. No exceptions! And for those of you who cheated, for shame!! In 1991, measures will be taken to curb this practice.

Finally our sincere congratulations to the five runners who have completed all eighteen races: Paul Croissant, 34, Madison, Peter Senzig, 48, Madi-

son, Bill Kohrs, 64, Madison, Richard Voigt, 39, Middleton, and Dobbin McNatt, 52, Middleton.

Thoughts about Syttende Mai run

Written for the Wisconsin State Journal and Capitol Times and reprinted with their permission.

Race Helpers Lauded

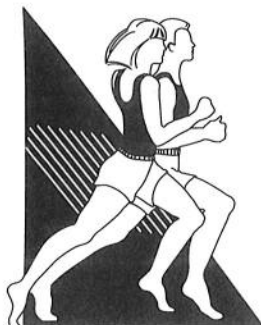

On May 19 I lined up with hundreds of runners on the Capitol Square to run the annual Syttende Mai Run. Minutes before the start of the event the winds picked up and it began to rain. As the run progressed the weather conditions worsened. As a Wisconsin State Journal reporter wrote, "it became the road race from hell, sans the heat."

The conditions were miserable for the runners and even more so for the hundreds of volunteers who were stationed at water stops and at turns along the course. These folks stood for hours giving out water and offering support and encouragement to the runners and walkers. They were always cheerful, enthusiastic and helpful despite the frigid conditions.

I would like to thank all those volunteers who made it possible for us runners and walkers to finish the run. Their efforts in some very uncomfortable weather conditions made the annual 20-miler a success despite the weather.

A special hats off to the race directors, police departments, volunteers, and the city of Stoughton for another job well done.

— Greg Sweeney,
Fitchburg

All Wet — Allen beats weather, wins Syttende Mai

By Kris Kort, Sports reporter, Wisconsin State Journal. Reprinted from the Wisconsin State Journal, 5-20-90 edition with their permission.

STOUGHTON — Under normal conditions, the goal of a runner is to save something for the end of the race to finish feeling strong.

Saturday's 18th annual Syttende Mai Run was not run under normal conditions.

The goal on this day: To finish feeling. Period.

Even winner Dave Allen of Madison was a loser in this endeavor.

"By about 12 miles, I couldn't even feel my feet and my legs," said Allen of the whipping winds and pouring rain that turned the already difficult 20-mile, Madison-to-Stoughton course into the road race from hell, sans the heat.

"It was just so terrible. And then the last six or eight miles, it's all east and the wind was just in your face. Sometimes you'd turn a corner and the rain was hitting you like nails.

"This is the worst running experience of my life."

Allen's winning time of 1 hour, 50 minutes, 0.3 seconds was about 7 minutes slower than his victorious effort last year, but just finishing was a feat in itself Saturday, not to mention setting a record with his fourth title.

Mary Gellerup-Poser of South Milwaukee was the top women's finisher, taking her third women's title in the time of 2:13:34.

On this day, survival was enough for most. Six competitors were taken to Stoughton Community Hospital with hypothermia, but all were released by Saturday evening.

"I felt so bad for the other people in the race and the walkers," said Allen, 34. "I think it was a bit of an advantage being in first and not in second because I would have been totally demoralized without something to shoot for."

But the goal was the same no matter what your time or place: Get the heck out of the cold and rain. Fast.

"The only thing I was thinking was just to get to the finish line because in this cold weather you didn't even think about how bad you hurt," said second-place finisher Jim Ingold (1:51:18) of Brown Deer. "You're so cold you just think, 'Get this over with. I don't care what I run for time or what I place. Just get it over with.'"

"I had no feeling at all in my feet or hands. I was extremely cold."

Race Director Ed Hutchins concurred. "This is the worst (weather) of all time," he said.

Hutchins didn't specify if he meant in the history of the race or the history of man.

But years from now, when a few warm cups of sanity will have taken the chill from their bones, this one will stick in the minds of most.

"Now that you can look back on it, this will be the race you'll joke about for years to come," Allen said. "It was kind of a comedy really."

Funny, nobody seemed to be laughing at the finish line.

"In past years I've seen one or two people crying because they were so exhausted," said Duane Berg, a race official. "Today, I saw a lot of people crying. I think they were just beaten physically and mentally."

MEDICAL SELF-CARE FOR BEGINNING RUNNERS

Training and Preparation: You should be able to run at least 10 miles at 10-12 minutes per mile pace to finish this race. Try to train 40 miles per week for 4 weeks before this race. If you eat before the race, eat a light breakfast at least 3 hours before the starting time. Drink about 8 oz. of fluid 1 hour before. Start warming up — stretching and jogging — about 30 minutes before the run.

Temperature is a critical factor. Significant heat injury may occur at all temperatures but particularly above 60°F. Above 60°F, wear only light athletic clothing, (shorts, T-shirt, or tank top). As the temperature increases above 60°F, your pace per mile should be reduced. For example, at 80°F beginning runners should run at least 1 minute per mile slower.

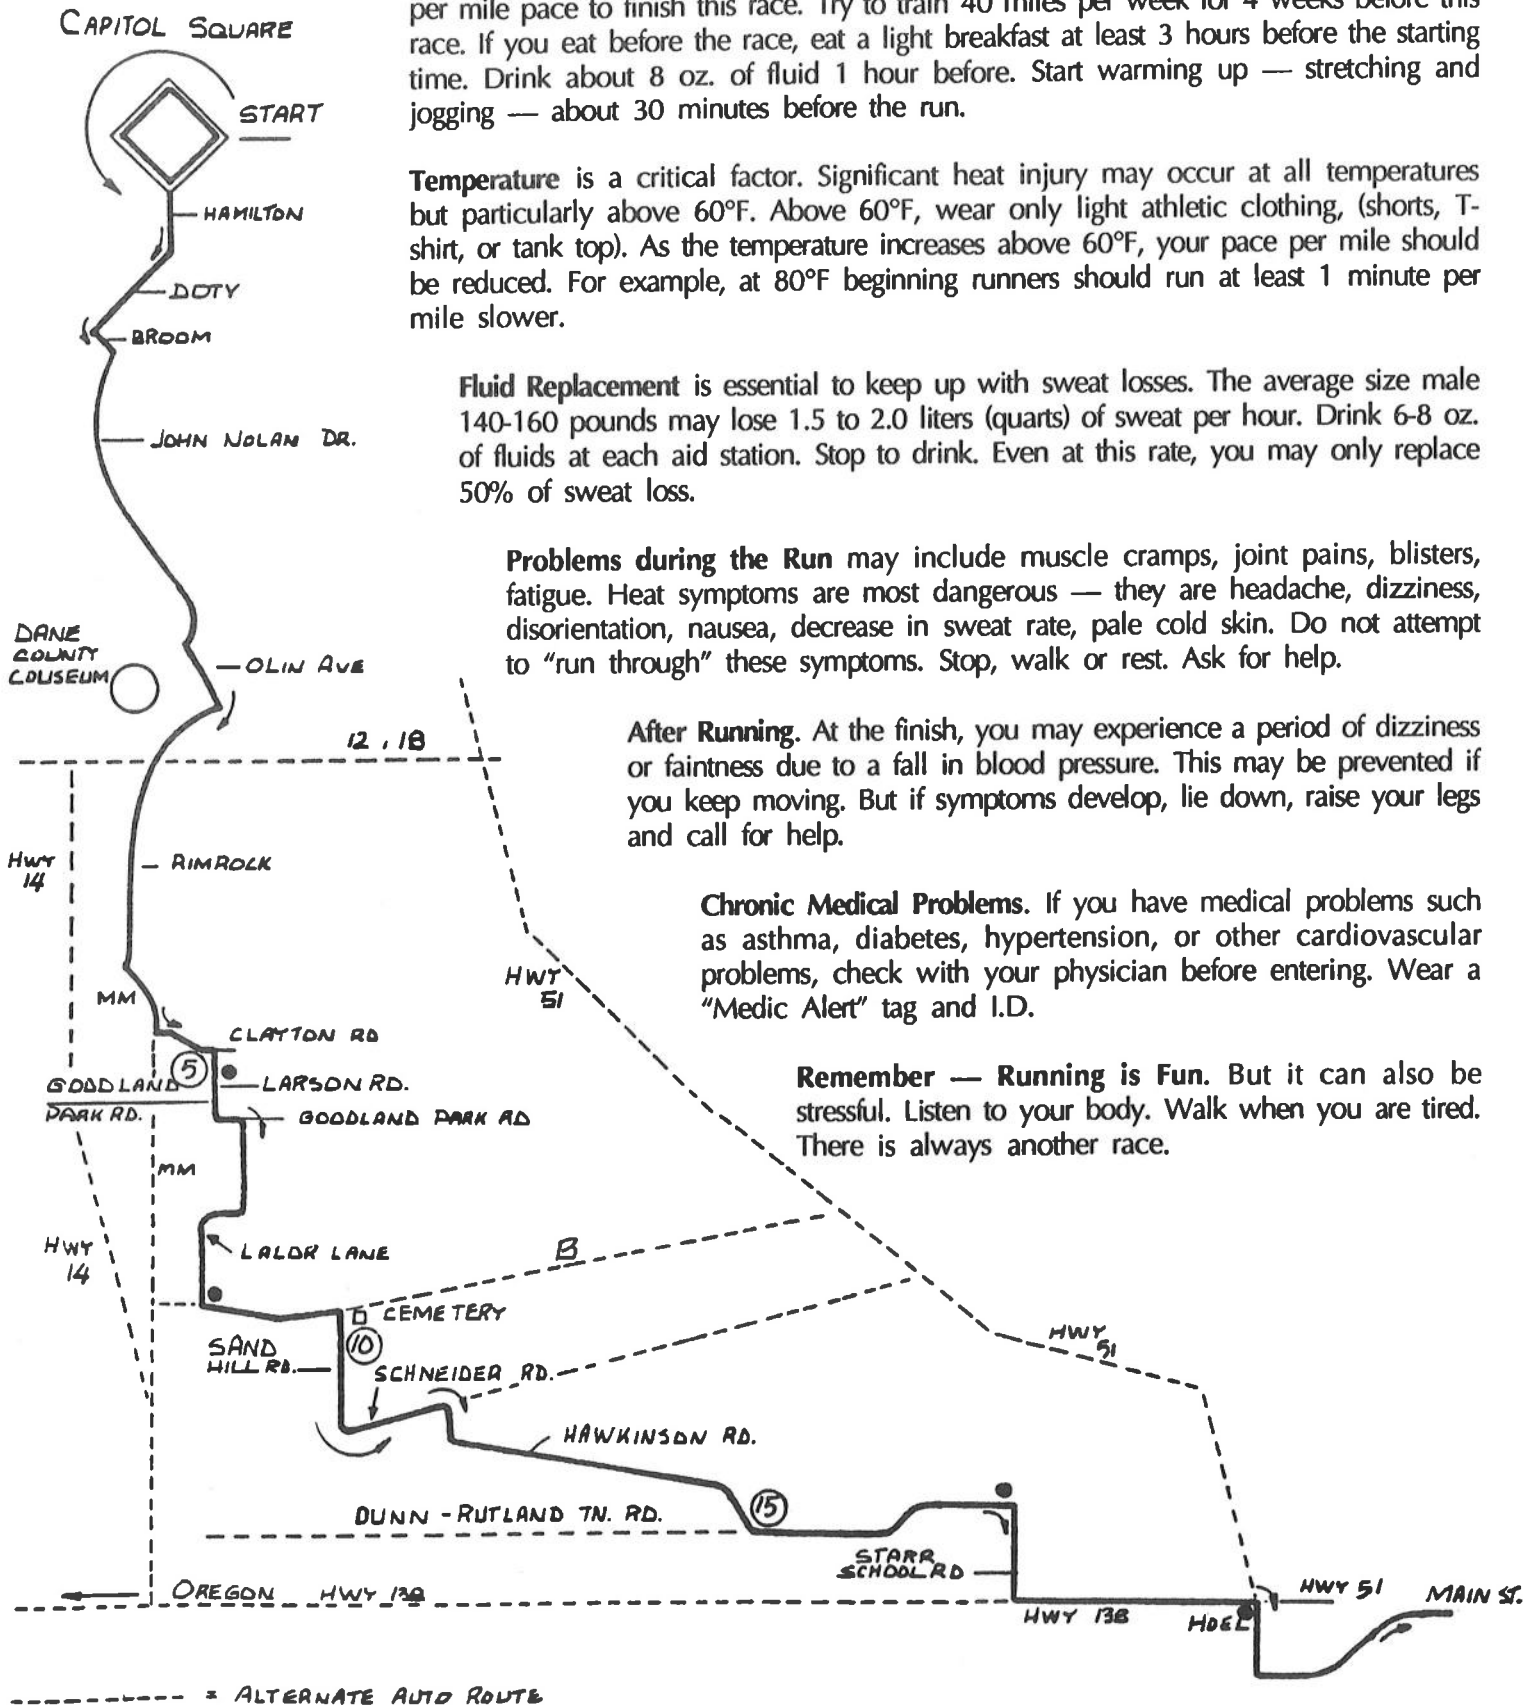

Fluid Replacement is essential to keep up with sweat losses. The average size male 140-160 pounds may lose 1.5 to 2.0 liters (quarts) of sweat per hour. Drink 6-8 oz. of fluids at each aid station. Stop to drink. Even at this rate, you may only replace 50% of sweat loss.

Problems during the Run may include muscle cramps, joint pains, blisters, fatigue. Heat symptoms are most dangerous — they are headache, dizziness, disorientation, nausea, decrease in sweat rate, pale cold skin. Do not attempt to "run through" these symptoms. Stop, walk or rest. Ask for help.

After Running. At the finish, you may experience a period of dizziness or faintness due to a fall in blood pressure. This may be prevented if you keep moving. But if symptoms develop, lie down, raise your legs and call for help.

Chronic Medical Problems. If you have medical problems such as asthma, diabetes, hypertension, or other cardiovascular problems, check with your physician before entering. Wear a "Medic Alert" tag and I.D.

Remember — Running is Fun. But it can also be stressful. Listen to your body. Walk when you are tired. There is always another race.

The following entry blanks will guarantee you a starting place in the 1991 Race or Walk if mailed by April 28, 1991. Entry fee is \$10.00 if mailed between April 29 and May 11, entry fee is \$15.00. No entries accepted postmarked after May 11, 1991. Mail entries to Syttende Mai Run, 1770 Burning Tree Circle, Oregon, WI 53575. Make checks payable to Syttende Mai Run. No Refunds.

Be sure to use correct blank!

No race day registration for run or walk.
