Molly Watcke - 2005 Syttende Mai Run First Place Female Winner:

Molly was the first place female finisher for the third straight year. She and her husband, Craig, resided in Verona along with children Emma, age 3 and Dan, age 1. They have since relocated to the Chicago area. Molly ran the 2005 race along with her brother, Chris McClimon, who finished as the first Stoughton resident winner.

"I am proud to have been the first place winner in the 2003, 2004 and 2005 Syttende Mai Runs. It was personal challenge to prepare for the 2005 race after the birth of my son in December, but also proved to be very rewarding. I look forward to running the 2006 run along with my brother again - unless the baby they are expecting in May decides to come into the world on May 20th!

At the Chicago Marathon, I placed 23rd overall female, 3rd Illinois resident, with a time of 2:52:00; again, running along with my brother who was not too far behind me. My other favorite races other than the Syttende Mai have included Two World Cross Country Championships, Crazylegs & Komen Race for the Cure Series. The Crazylegs brings back childhood memories; some that include my late father, Dan McClimon. The Komen Race for the Cure reminds me that running is a great pleasure...but reminds me of the important things in life.

My favorite part of the Syttende Mai Run continues to be the greetings from the many walkers who are along the route. Thank you, thank you, walkers for all of the cheers!! I also like the downhill turn off of Main Street to the finish line that is also filled with well wishers! I am very aware of the hardships that many Stoughton residents experienced in August of 2005 and will be proud to be part of a positive event that gives them something to cheer for!"

Joe Kurian - 2005 Syttende Mai Run First Place Male Winner:

A runner at heart having completed seven marathons, Madison's Joe Kurian ran the Syttende Mai race for the first time last year. The challenging hills, long straight-aways and friendly fans along the 20-mile Madison-to-Stoughton course is what he'll remember most about his first time, which he won by finishing in 1:51:36. Kurian welcomes each day with a 60-minute minimum bike or run, a time he calls his favorite as an athlete. He also swims up to 4k in the pool in the afternoons. Those three activities keep Kurian in shape for Ironman competitions, of which he has completed five as well. His favorite event is Ironman Wisconsin, but he'll miss that this year for good reason: He'll be supporting his wife Aimee in the September event, her first Ironman competition. Kurian also enjoys the John Dick Memorial 50k trail run in Kettle Moraine each February. Originally from Milwaukee, Kurian came to Madison in 1997 to begin working toward his biological psychology major. His next step is a PhD in molecular toxicology. Aside from running, biking and swimming, Kurian likes to spend time with his three mutt dogs, an occasional weight lifting session, and doing home improvements. Running, though, is what he said makes him a better, more productive and appreciative person.

Run & Walk

We do have some sad news to share. Paul Miller, who served as race director prior to us, and who was involved with the run for a long period before that, passed away in November. Paul kept this great running tradition going and shared his insights with us. We will miss him.

We were very pleased with how this year's run went. It was our first year as race directors for this most challenging of long distance runs and we enjoyed it. We made some changes we hope all the runners appreciated. We certified the course, which made for a slight change in the course between miles 18 and 19, but gave us a true beginning and end and accurate mile marks in between. With help from the city of Stoughton, the Stoughton police department and our neighbors on Main Street, we were able to create a larger, safer lane for the runners when entering Stoughton and kept access to Main Street restricted to certain points. At the starting line, we were able to address noise issues and made a more convenient registration area by moving the starting line away from the corner of Hamilton and Main Street.

Although the start was on the chilly side, the day was perfect for running. This is a challenging and difficult race. We commend you on your achievement and hope that you are telling your running and non-running friends about our race and the Syttende Mai festival. We hope you enjoyed your race experience and look forward to seeing you on May 20, 2006.

"MILES AND MILES"

"It was really important for me to run because I had volunteered with my dad and brother as official bike escorts for many Syttende Mai runs in the past. I always thought it was an amazing thing for an individual to do. My dad died of brain cancer in August of 2004. I wanted to do this run more than anything. A harp player in the symphony with me agreed to train with me and we ran every morning. Another friend came back from Mexico and joined the training team. We made special shirts before the run and all slept at my place so we could wake up in time for the race. My friends were much better athletes than I, but they made sure that I kept up with them. By the end of the race, we were all three covered in mud and sweat (my friends decided that it would be a good idea to attack me with mud pies). It was an amazing run, really a beautiful route that I was moving too fast as a youth to appreciate (bike vs. foot). It was wonderful - I love you dad!" Lauren - Madison, WI

"Running my first Syttende Mai this year was one of the highlights of the year for me. I ran well and placed 5th (and first in my age group) despite not seeing one other runner from the 3 mile marker to the finish. I might have been lonely (and would have gotten lost) if not for the wonderful course official on bicycle who stayed near me and told me where to go, cleared the course, and encouraged me on. I was so thankful for him. It was a difficult run, but well worth it, and I have a wonderful, hand-painted plate to show for it!" Brian - Middleton, WI

"I've enjoyed Syttende Mai 8 times - can't wait for #9" Michael - Madison, WI

"I ran the Syttende Mai run for the first time last year. My brother, who lives in Kenosha, had run it a half a dozen times in our father's memory - our dad was born and raised in Stoughton. Our dad's family has a teeny weeny part in the history of Stoughton, as they lived in the Stoughton home, and two of my aunts were on the committee to preserve the home. Running the twenty miles with my brother (bonding in pain!) and in memory of our father.....it was an extraordinary day, I'm looking forward to 2006."

Lucretia - Oakland, CA

"To: The Thursday 5:35 AM group. "It was so nice to join you all on a long one again" From: The Big Fig Newton....."

"Syttende Mai is a well-run race. The course management was excellent and the post-race refreshments were ample. It was the perfect race for me to determine if I could run a marathon in a time that would qualify me for Boston, which I did at Chicago in October. Thanks to all - p.s. The Chicago Marathon people accepted my Syttende Mai time for a preferred start - which made a big difference in my starting position."

Dennis - Dubuque, IA

"I ran my seventeenth Syttende Mai after a 10 year layoff. Ran dreadfully slow, but got it done. The hills have not changed..." Steve

"The rolling terrain and scenic vistas along the course are reminiscent of the breathtaking topography between Lillehammer and Oslo. The only thing missing is an occasional encounter with a curious musk ox." Mike - Janesville, WI

"Thank goodness for the keg at mile 12! I don't know if I would have made it otherwise." Steve - Winnetka, IL

"I have run many races over the years including 19 marathons and the Syttende Mai still ranks up there as one of the races I look forward to each year. I began running Syttende Mai in 1985 when I decided to trade in my cigarette habit for running and now have enjoyed that for 20 years. Although I run year round, I always look forward to the Syttende Mai race to help me kick-off the running season. Out of 15 finishes over the years, I have encountered many great memories like seeing some of the same die-hards (old friends) year after year. Probably the greatest accomplishments of all is that my example has now rubbed off on my son who has completed two Syttende Mai races with me and my daughter and other family members are now doing the 17 mile walk. I will continue to run Syttende Mai as long as I am able and keep this great race my kick-off to another great running season! Keep up the great work managing this race."

Bill - Wales, WI

"2005 was my first go at the Syttende Mai and my first 20 miler. I was registered for my first marathon in June (Grandmas) and figured if I could manage the hills in the Syttende mai, the marathon would be no problem. My daughter and I drove the route in our car two months ahead of time and I was certainly motivated to put hills into my training. I was right and proud to say I passed both "tests". My daughter and I started the race together and she finished well ahead of me - but we had a great time. I'm looking forward to my 2nd Syttende Mai in '06 - and on improving my time!" Craig

"Hello. My name is John Selbo and I graduated from Stoughton High School in 1967...I've run the Syttende Mai race 25 times...if, for whatever reason the race is cancelled, I believe I will still get up to the Capitol Square the morning of the Saturday closest to the 17th of May and run to Stoughton anyway....."

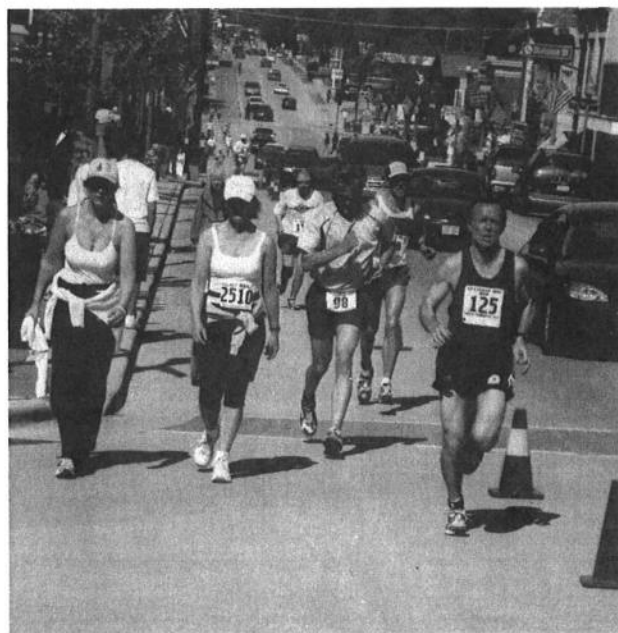

"Syttende Mai is my favorite race of the year by far. My friends and I are already trash-talking about next year."
Robert - Sun Prairie, WI

"I really look forward to the beer aid station compliments of Hash House Harriers."
Paul - McFarland, WI

"It's a rite of spring!!" Jimbo - Madtown, USA

"I finished the Syttende Mai Run in my goal time of just under three house (with a stress fracture). The course and people are just so great nothing will make you want to quite this run! Join me next year-Lisa, Lori & Sue." Jill - Verona, WI

"I've enjoyed (more or less) 20 consecutive Syttende Mai runs. The 2005 edition was my last run as my body constantly tells me that 20 is enough. I enjoyed my last run with Stubby, a good buddy of mine with considerable Syttende Mai experience on his own. Over the years Syttende Mai has been many things to me - passage of spring, my commitment to training, friendly runs with the crazy man, Peter Senzig, several painful executions, plans for a slow start with a taper, and many glorious finishes. Each year has been different in the weather, my training, and the day itself. This is what has driven me to run 20 by 20. Somewhere along the line I've reached all my goals: To enjoy each step; To do better than last year; To get the shirt. Thanks for a great legacy and fun each year. See you at the beer stop in 2006!" Tom - Oregon, WI

"TALK FROM THE WALK"

"It was a beautiful day for a 17 mile walk! I have done the walk six or so times, but this year was quite special. My walking companions were my godfather Emmett, and Katie, who is his daughter and my cousin. It was their first Syttende Mai walk, and they really enjoyed the experience. We had a great time visiting! My uncle Emmett is an inspiration to me. His positive, can-do attitude is what has always made him successful. He is a real joy in my life!"
Jackie - Oronoco, MN

"In 2004 and 2005 I had the fun and pleasure of walking Syttende Mai. The course is a challenge and is made up of rolling hills, beautiful scenery, and - of course - interesting people. Changing weather is the unpredictable factor that keeps the course interesting. My thanks to the organizers of the wonderful event that has become a Wisconsin tradition." John - Beloit, WI

"I have walked the Syttende Mai every year since it started - looking forward to 2006!"
Ken - Madison, WI

"2005 - perfect weather, and even though I had run the Lake Monona 20K the previous weekend, I decided to walk the Syttende Mai course. Got bored halfway through and started running.....and much to my surprise I was one of the first people across the finish line!! They weren't even quite ready with the t-shirts! Had enough time to get a banana, some water, and then watch the first runner come in. Thanks for a wonderful experience - can't wait for 2006!" Randi - Madison, WI

"After much coaxing from a couple of co-workers, I finally gave in and walked the 17 miles from Madison to Stoughton - we had a great time and I felt better than I thought I would afterwards. I guess what they say about training is true - and good for you!"
Sarah - Verona, WI

"Walking with my sister and friend has always been kind of a spring and summer ritual for me. Now that we have started walking the Syttende Mai Walk, we hope we can do it every year!" Jackie - Rockford, IL

"For the past 5 years, I have participated in the 17 mile Syttende Mai walk. Each year I seem to have a new reason to enjoy this event. It's fun meeting people along the course, watching and encouraging the runners that pass by, and spending time in Stoughton once I finally get there. I'll be back in 2006!" Lori - Sun Prairie, WI

"I have done both the 20 mile Syttende Mai Run and the 17 mile Syttende Mai Walk depending on my health and how much time I had to train. I really love the course; whether I am running or walking - everyone is so nice and encouraging - especially when you are close to the end!" Emilie - Middleton, WI

"Being a Stoughtonite, I have seen many Syttende Mai festivals and enjoyed watching the runners and walkers make their way through Stoughton to the finish line. I decided that it was my turn to take part in the walk and had a good experience. After recruiting a partner, we had fun training- taking a lot of long walks, so we wouldn't be too sore after walking 17 miles - it worked!" Tom - Stoughton, WI

I understand that this release applies to myself and my personal representatives, heirs and assigns. I know that running or walking is a potentially hazardous activity, but represent that I am trained adequately and am medically able. I assume all risks associated with running or walking, including but not limited to falls, contact with other participants, effects of weather including high heat and/or humidity, traffic and the conditions of the roads. Medical Self-Care for Beginning Runners

Training and Preparation: You should be able to run at least 10 miles at 10-12 minutes per mile pace to finish this race. If you eat before the race, eat a light breakfast at least 3 hours before starting time. Drink about 8 oz. of fluid one hour before. Start warming up (stretching and jogging) about 30 minutes before the run.

Temperature is a critical factor. Significant heat injury may occur at all temperatures, but particularly above 60° F, wear only light athletic clothing (shorts, t-shirt or tank top). As the temperature increases above 60° F, your pace should be reduced. For example, at 80° F, beginning runners should run at least 1 minute per mile slower.

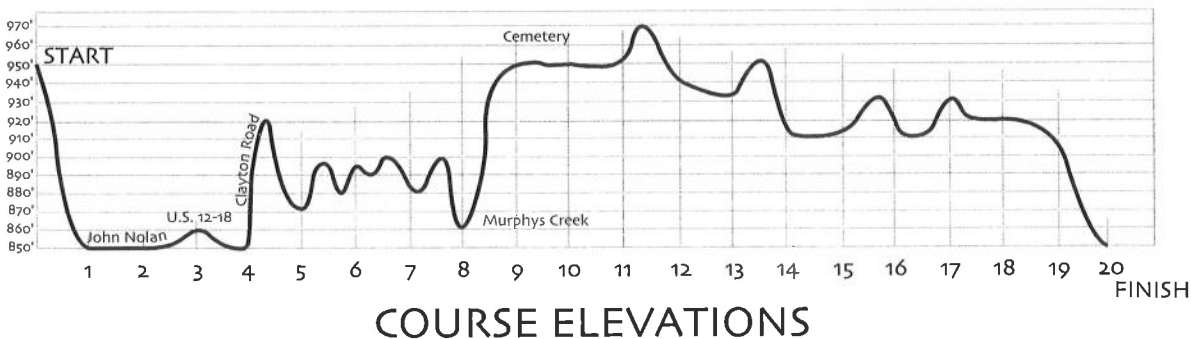

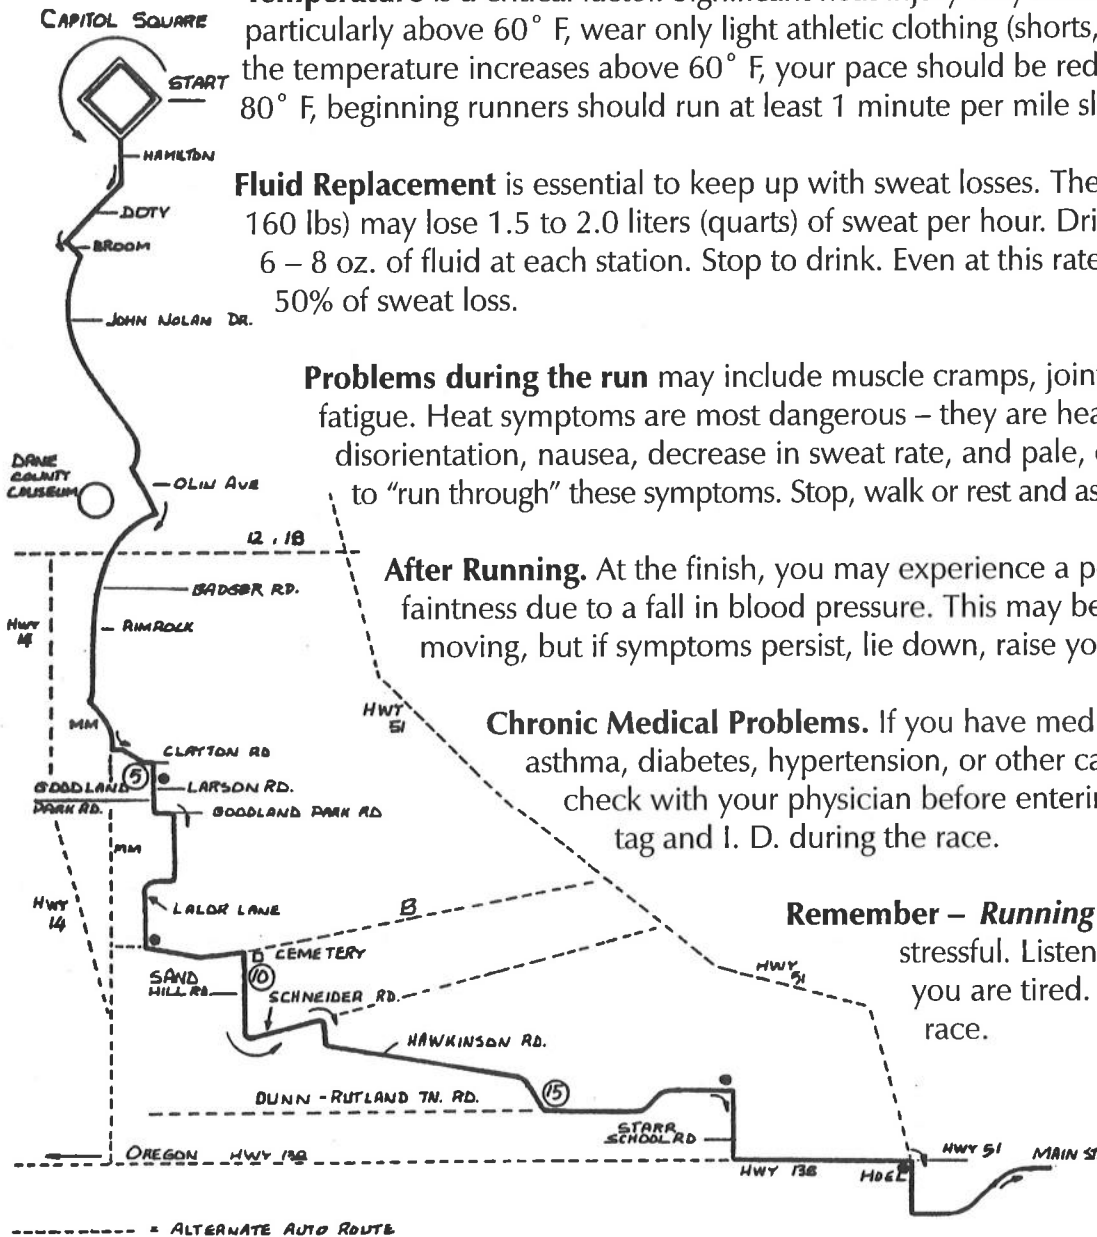

Fluid Replacement is essential to keep up with sweat losses. The average size male (140 – 160 lbs) may lose 1.5 to 2.0 liters (quarts) of sweat per hour. Drink 6 – 8 oz. of fluid at each station. Stop to drink. Even at this rate you may only replace 50% of sweat loss.

Problems during the run may include muscle cramps, joint pains, blisters and fatigue. Heat symptoms are most dangerous – they are headache, dizziness, disorientation, nausea, decrease in sweat rate, and pale, cold skin. Do not attempt to “run through” these symptoms. Stop, walk or rest and ask for help.

After Running. At the finish, you may experience a period of dizziness or faintness due to a fall in blood pressure. This may be prevented if you keep moving, but if symptoms persist, lie down, raise your legs and call for help.

Chronic Medical Problems. If you have medical problems such as asthma, diabetes, hypertension, or other cardiovascular problems, check with your physician before entering. Wear a “Medic Alert” tag and I. D. during the race.

Remember – Running is Fun. But it can also be stressful. Listen to your body. Walk when you are tired. There is always another race.
